

ONLINE School CPD LIBRARY

Create your school's own library of On-Demand CPD, with access for the whole team, for a whole year!

Provide every member of staff in your school with a range of high quality, On-Demand CPD, which is easier to access than ever. **TT Education's online CPD Library** opens up a range of professional development opportunities, with online access from anywhere, at any time!

Personalised to meet your school's priorities and goals

Browse our diverse range of over 100 On-Demand courses and create your school's very own selection of online CPD. You can expect the same high-quality, practical training schools associate with TT Education, yet delivered through our online platform.

Your school's library of On-Demand CPD, all in one place

- Access 24/7 for your whole team
- Log in anywhere, from any internet connected device
- Use the search function to find specific content
- Replay and re-watch at any time
- Collaborate and share thoughts with colleagues using the school discussion board

Choose between our Bronze, Silver or Gold packages, which all include access for 12 months for the whole school
